SUMMARY

Focused on Frontend Development, Responsive Web Development, JavaScript, and React.js. Built and deployed multiple React applications featuring REST API Integration, Context API state management, authentication, and reusable components.

TECHNICAL SKILLS

Languages & Core: HTML5, CSS3, JavaScript (ES6+)

Frameworks & Libraries: React.js, Tailwind CSS, React Context API, Custom Hooks

Development: Frontend Development, Responsive Web Design, REST API Integration, Protected Routes, Debugging / Troubleshooting, Vite

Tools & Deployment: Git, GitHub, Vercel, VS Code

PROJECTS & DEVELOPMENT EXPERIENCE

ELUME | *React, Vite, Context API, REST API, Protected Routes* | [GitHub](#) | [Live Demo](#)

- Built an e-commerce web application using React and Vite with product filtering, cart, wishlist, and order functionality.
- Managed application state using React Context API with 4 dedicated contexts (AuthContext, CartContext, OrderContext, WishlistContext) and custom hooks for centralized data access.
- Integrated a REST API service layer with authentication and protected routes.
- Designed a modular, reusable component architecture with data persistence.

AURA-AI | *React, Vite, Google Gemini API, Context API* | [GitHub](#) | [Live Demo](#)

- Integrated the Google Gemini API for conversational responses within a responsive interactive UI featuring typing indicators and skeleton loading.
- Managed chat state using React Context API and custom hooks across 4 major chat UI components: ChatInput, ChatWindow, MessageBubble, and Sidebar.
- Implemented conversation persistence using local storage to retain chat history.

Personal Developer Portfolio | *React, Vite* | [Live Demo](#)

- Designed and developed a personal developer portfolio using React and Vite to showcase projects and technical skills.
- Implemented a responsive user interface with interactive elements for an engaging user experience.

CERTIFICATIONS & ACHIEVEMENTS

Oracle Certified Foundations Associate – Agentic AI | *Oracle* | [Verify Credential](#)

Aug. 2026

- Earned the Oracle Certified Foundations Associate credential in Agentic AI.
- Passed the certification examination with a 90% score against a 65% passing score.

EDUCATION

Shri Shankaracharya Professional University

Bachelor of Computer Applications (BCA)

Bhilai, Chhattisgarh

Expected Graduation: June 2028

Amresh Sharma Public School

Class XII — Science | CBSE

Durg, Chhattisgarh

2022

Amresh Sharma Public School

Class X | CBSE

Durg, Chhattisgarh

2020
